RE: Permitting status on Interstate Bricks's clay properties.

Dear Sue:

I'd like to get going on the permitting and/or reclamation of the clay properties under your permit team. This letter is to let you know how we stand on these various properties.

Property	County	#	Status
Montello	Box Elder	Act/003/004	Still mining. We're unclear on permit status.
White Mtn.	Beaver	Act/001/005	No mining since '81. Only small test sample was taken at that time. We want to reclaim it!
Cottonwood	Salt Lake	Act/035/003	No mining for the past few years. Management hasn't given the go ahead for reclamation but want to proceed along that avenue.

We want to reclaim White Mtn., and possibly Big Cottonwood this summer. If we could arrange a site inspection of these two areas it would be much appreciated.

If you have any comments, suggestions, or questions please call.

Respectfully,

Lance Jackson
